REQUEST FOR TEST ACCOMMODATIONS

Use this form if you are requesting accommodations on USMLE for the first time

The National Board of Medical Examiners® (NBME®) processes requests for test accommodations on behalf of the USMLE program

If you have a documented disability covered under the Americans with Disabilities Act (ADA), you must notify the USMLE in writing each time you apply for a Step examination for which you require test accommodations. Submitting this form constitutes your official notification.

• Review the USMLE Guidelines for Test Accommodations at www.usmle.org for a detailed description of how to document a need for accommodations.

• Complete all sections of this request form; submit the form and all required documentation to Disability Services once you have submitted your Step exam application to your registration entity.

• NBME will acknowledge receipt of your request by e-mail and audit your submission for completeness. If you do not receive an e-mail acknowledgement within two business days of submitting your request, please contact Disability Services at 215-590-9700 or disabilityservices@nbme.org. You may be asked to submit additional documentation to complete your request.

• Requests are processed in the order in which they are received. Processing cannot begin until sufficient information is received by NBME and your Step exam registration is complete. Please allow at least 60 days for processing of your request.

• The outcome of our review will not be released via telephone. All official communications regarding your request will be made in writing. If you wish to modify or withdraw a request for test accommodations, contact Disability Services by e-mail at disabilityservices@nbme.org or by telephone at 215-590-9700.

As explained in the Guidelines to Request Test Accommodations (www.usmle.org), you MUST provide supporting documentation verifying your current functional impairment.
